

ENGAGE YOUR LEADERS AND TEAMS WHILE DONATING TO CHARITY

Creating a Culture of Impact for 2025

We are proudly COUCH Champion Partners and as such, for any workshops booked between now and November 30th, we will donate 20% of the fee to COUCH.

Here is 4 of our top workshops you can engage us to deliver over a full day or half day.

From Overload to Impact: Mastering Personal Excellence

- Break the cycle of reactive busyness with prioritisation and productivity systems tailored to your people.
- Learn the science of “high-value actions” to amplify your results without extending your hours.
- Reframe hard conversations into opportunities for influence and growth.
- Embed self-accountability practices to consistently deliver measurable impact in your role.

Conversations That Build Connections and Inspire Action

- Master the skill of transformational feedback.
- Navigate emotionally charged or high-stakes conversations with confidence and empathy.
- Use intentional communication techniques to build trust, alignment, and engagement.
- Develop facilitation methods to turn passive listeners into active contributors.
- Strengthen relationships with clients and stakeholders.

Teams That Thrive: Collaboration Without Compromise

- Decode the art of true delegation – from strategy to execution – to unlock team potential without micromanaging.
- Establish dynamic accountability systems that eliminate confusion and increase follow-through.
- Embed “belonging cues” into your team culture, creating environments where everyone feels valued and performs at their best.
- Redefine collaboration to align individual strengths with team goals for exponential results.

Balance for Neurodivergent Female Leaders

- Embracing Neurodiversity in Leadership: Understanding and leveraging your unique strengths.
- Creating Sustainable Work-Life Balance: Practical strategies for managing energy, boundaries, and time.
- Building Confidence and Resilience: Overcoming societal expectations and imposter syndrome.
- Effective Communication and Emotional Regulation:
- Thriving Through Change: Strategies for adaptability while honouring your needs.

Half-day and Full-day option. Limited spaces available! Book your workshop today and ensure a strong, purposeful start to 2025.
